

**He wears his crash helmet for  
his protection:**

**You need *Postie Mate™*  
when delivering leaflets &  
magazines for your protection:**

**Don't add to the 5,000\*  
Posties & Communication  
Workers bitten by dogs each  
year, and be wishing you'd  
bought *Postie Mate™*  
before you lost a finger.**

\*UK Communication Workers Union estimate.

**Buy it NOW & deliver safely.**

(Psst: *Postie Mate™* also

- speeds up delivery by up to 50%
- enables item to be delivered unfolded to have maximum impact
- has a feature to resist a dog trying to pull it through the letterbox
- saves hands from feeling 'beaten up' after a long delivery stint.)
